What is the Days Pay Scheme?

Introduced IN 1964, THIS Army-wide system is for voluntary subscriptions to Corps charities from all serving Regular Officers and soldiers. The RLC Territorial Army have a separate scheme also based on individual contributions.

How much do I Pay?

RLC Soldiers contribute 120% of one day's pay annually to The TLC Association Trust Fund. Officers contribute 170% of which an element is used for Corps' officers Messes. Payments are deducted monthly from pay accounts. TA officers and soldiers pay a representative sum annually through their units. The Corps receives most of its come (some £1.5 million) through this scheme.

What is The RLC Association Trust Fund?

What happens when I leave the Corps?

Subscriptions to the Days Pay Scheme cease automatically on discharge. However, you remain eligible for benevolence support for yourself and your immediate eligible dependants for your life. You can join the RLC association as a former member and continue to receive The Sustainer and other benefits for a small subscription.

How is the money used?

The RLC has three schemes which support serving and retired members and other activities.

- The Benevolent Grant Scheme
- The Medical Discharge Grant Scheme
- The Off Duty Accident, death or Injury Grant Scheme
- Sports
- Adventure Training and Battlefield Studies
- The Sustainer Magazine
- The Bands and Corps of Drums
- The RLC Museum
