## NOTES

1. The Level 2, 3 and 5 are accredited to the Class 3, Class 2, Class 1 and SMC courses respectively.
2. The CILT Level 2 will be issued once the Record of Work Place Experience is completed
3. All costs illustrated are total costs including institute registration and membership. The cost of the Global Logistics Certificate on the Class 1 is lower due to the fact that some modules are covered on the Class 2.
4. All costs illustrated are prior to applying for learning credits or other sources of funding.
5. All courses are delivered by The Business School who have a variety of payment options to assist personnel.
